

The Summary Report on AET 2010

International Joint Conference on Advances in Engineering and Technology, AET 2010, aims at bringing together the researchers, scientists, engineers, and scholar students in all areas of Engineering and Technology, and provides an international forum for the dissemination of original research results, new ideas and practical development experiences which concentrate on both theory and practices. The conference has the focus on the frontier topics in the Computer Science, Civil, Mechanical, Electrical and Electronics Engineering subjects. AET 2010 will be held during December 21-22, 2010 in Trivandrum, Kerala, India.

AET 2010 will have FOUR tracks

1. International Conference on Advances in Computer Science (ACS)
2. International Conference on Advances in Electrical & Electronics (AEE)
3. International Conference on Advances in Mechanical Engineering (AME)
4. International Conference on Advances in Civil Engineering (ACE)

The conference will be held every year to make it an ideal platform for people to share views and experiences in Computer Science, Civil, Mechanical, Electrical and Electronics Engineering subject. All the registered papers will be published by the **EN Conference Publishing System** (both Print and CD media) and it will be made available in the SEARCH Digital Library

All the registered FULL PAPERS and SHORT PAPERS alone (of ACS 2010) will be published in the two issues of the following journals

[ACEEE International Journal on Information Technology- IJIT](#)

[ACEEE International Journal on Network Security - IJNS](#)

[ACEEE International Journal on Signal & Image Processing - IJSIP](#)

All the registered FULL PAPERS and SHORT PAPERS alone (of AEE 2010) will be published in the two issues of the following journals

[ACEEE International Journal on Communication- IJCom](#)

[ACEEE International Journal on Electrical and Power Engineering - IJEPE](#)

[ACEEE International Journal on Control System and Instrumentation - IJCSI](#)

We have received good number of papers in individual category/track as specified below.

AET 2010- PROGRAM DETAILS

The Inauguration ceremony of the AET Conference began with the silent prayer at 9.00 am. The Conference was inaugurated by the chief guest, Dr. Selvaganesan, N (Professor, IIST Trivandrum, Kerala, India) on the Dec 21, 2010 at 9:00 am, by the lighting of the lamp. This was followed by the unveiling of the Print and CD media of the proceedings of the AET 2010 by Dr. Selvaganesan, N

Just after the inauguration ceremony a message of ACEEE is delivered by Prof. Dr. Janahanlal on “The Climatic Change – Role of ACEEE”. Dr. Raj Kurup (Professor, University of Western

Australia and University of Missouri, USA) has addressed the gathering and gave the Key note on “Application of Sustainability Concepts in Civil Engineering Projects” highlighting the various areas of research .

The sessions for the presentation of full, short and Poster papers has been organized in two halls. Three papers have been selected for the best paper category and they were honored at the Closing Ceremony.

The Chief Guest at the Closing Ceremony function was Dr. Raj Kurup (Professor, Civil, University of Western Australia and University of Missouri, USA). Dr. NARANG, (Professor, Mechanical, Indiana University-Purdue University, USA), Dr. Gylson Thomas (Professor, Computer, MES College of Engg, Kuttippuram, Kerala), Prof. Jens Knigge (Professor, Mechanical, Institut für Integrierte Produktion, Hannover, Germany) put up the feedback on AET 2010 conference. Prof. Thankachan , Chief General manager of Engineers Network, gave the vote of thanks to all the delegates, dignitaries, and to the office bearers of ACEEE and the Conference.
