

The Summary Report on IJJCE 2009

The First International Joint Journal Conference in Engineering, IJJCE 2009, concluded by publishing the accepted paper in **International Journal of Recent Trends in Engineering** (May 2009 issue) [ISSN: 1797-9617] by the **Academy Publishers, Finland**. The conference focused on the frontier topics in the Computer Science, Civil, Mechanical, Electrical and Electronics Engineering subjects. IJJCE 2009 was the World's first such Engineering/Computing and Systems Research journal conference.

Journal Conferences are virtual conferences, where blind papers are peer reviewed by at least two/three experts and accepted papers are published in International Journals. No oral paper presentation is required.
